

Team Member Application

If you have received the gift of salvation through faith in Jesus Christ you have begun the adventure of a lifetime that will lead to an unimaginably wonderful eternity! (1 Corinthians 2:9) God's inspired Scripture makes it clear that He has designed each one of us with unique serving/leading abilities which can grow us in Christ-likeness and cause others to see Jesus in us as we allow His Spirit to work through us.

The Scripture frequently refers to individual Christ followers as being like parts of the human body. Each part performs needed, but different functions. And each part needs to be closely connected in healthful ways to the others. (1 Corinthians 12, Romans 12, 1 Peter 4:7-11, Ephesians 4:11-16)

This application is a simple way for you to say, *"YES! I am trusting Christ as my Savior, and following Him as my Lord. I will find and fulfill my roles of service and support as part of Christ's Body through LifePoints Church now, and through the coming calendar year."*

No more or less is expected of those who would be Team members of LifePoints than Scripture teaches is expected of all who call themselves followers of Christ. We simply invite you to join others in whole-heartedly serving Him together so that we may all grow to become more like Christ and that thru us others may also experience the life-transforming power of Jesus Christ wherever they may be on their journey.

As a team member you will receive LifePoints quarterly "Journey Journal" ministry report, gain access to our online team forum, and be given voting privileges at the annual business meeting of LifePoints Church.
